EDITORIAL NOTE

This listing is in accord with information gleaned from our most recent survey. Please call to our attention as soon as possible any errors in names, titles, addresses, telephone numbers, omissions, erroneous inclusions, etc.

We maintain a card file of our contacts to provide the basis for our mailings. We can keep it current at all times if spokesmen for each State will inform us of changes. When calling changes to our attention, we would rather have Extension titles and addresses while doing Extension business.
